

Wildlife Express

2007 - 2008

Wildlife Express is published nine times a year (September through May) and targets students in the 4th through 6th grades. Many educators across Idaho have used *Wildlife Express* at lower grades and beyond 6th grade, as well. Each issue features a different Idaho wildlife species and contains articles highlighting the natural history and management of the species. The writing is based on scientific fact and ecological concepts. While children find the magazine entertaining, it is also an educational tool. It is not written from a perspective of emotion or fantasy. Teachers will also receive the *Educator's Express*. A binder full of supplemental activities to teach sciences, math and language arts that coordinate with the monthly issues.

Option A—Classroom sets of 30

Classroom sets contain 30 copies of *Wildlife Express* mailed to your school each month. The cost for this option is \$30/year. Your students can receive 9 issues throughout the year for the cost of \$1.00 per student!

Option B—Ten or less copies

For those that need a limited quantity, *Wildlife Express* can be custom ordered and mailed for a cost of \$15/year.
